

Sierra Series

SIL Linear Electric Fireplace

Available in 48, 60 and 72 inch widths

SIL Series

Create that cozy feeling with
the touch of a button.

The Sierra linear fireplace series is the perfect solution for any space. With three installation options - built-in, wall-mount or table top stand, you will never have a problem finding the right place for it. Use the interchangeable media bed options to change the look and feel any time, and rotate the color of the ember bed and flames to add a pop of color. Create that cozy feeling with the touch of a button.

FEATURES

Flame Effect

High-contrast customizable flames feature multiple color themes and brightness control to suit the mood of the room.

Interchangeable Media Bed

Enhance any space in your home with the customizable media bed by choosing between the four included options – large/small crystals, logs or pebbles.

Media Accent Colors

Alternate between eight ember bed colors.

Built-in Timer

Set for up to 8 hours.

Touch Controls

Settings and temperature display are hidden when not in use.

LED Lighting

Flame and lights use brilliant, low-energy LED that require zero maintenance and can be illuminated separately.

Powerful Heating

Powerful fan-forced heater features a safe, ceramic element that provides on-demand heat for up to 1,000 square feet. Can be used as primary or secondary heat depending on room requirements.

Multi-function Remote

Control the fireplace features from the comfort of your chair.

All-season Flames

Enjoy the unique charm of a fireplace 365 days a year without the heat.

Cool-touch Glass

Glass remains cool making it safe for children and pets in any location.

Just Plug It In

Simply plug into any standard household outlet for instant ambiance.

NOTE: When mounted to the wall the bottom of the fireplace should be a minimum 36" (91 cm) from the floor.

Included feet allows for tabletop installation
